

Motion to Create a CLASHSA Co-VP Journal Position

Whereas, the CLASHSA's academic journal, 'Voces', calls for the position of VP Journal;

Whereas, last year's publication cycle and journal launch was deemed too burdensome for only one VP Journal by the previous VP Journal and the executive team;

Whereas, the executive members voted unanimously for the creation of a co-VP Journal;

Whereas, the position was filled by a highly qualified individual;

Be It Resolved, that the AUS Legislative Council will approve the CLASHSA's decision to create two VP Journal positions (co-VP Journal) instead of the existing one.
