BASiC Report

- BASiC Committees: All of our committees have been selected (First Year Activities Committee, Academic Committee, and Events and Fundraising Committee) and all have had their first couple of meetings. We had a great turn out for our First Year Committee and we're very excited about getting so many incoming first years involved!
- We have finished our Fall clothing order, now just waiting on our precious swag to arrive.
- It's BASiCally Vegas! Semi-Formal tickets are now on sale! It will be held on November 15th at Thompson House. Even if you're not in Arts & Science, come on out!
- We initially held a design competition for a new ASUS logo but unfortunately, no one submitted anything. We instead worked with Aly Lowry from Design Hub to help us come up with one.
- We finally found a Chair for our National Integrative Research Conference. It's organization is now well under way.
- Other events that have come and gone: Discover McGill, Frosh, First-Year information session, a couple samosa sales, tabling at Activities Night and McGill Open House.
- Events to keep an eye out for: Arts & Science Semi-Formal (November 15th), NiRC (March 2019), Frosh reunions, Darwin Day Formal

Submitted respectfully,
Alexandra Millar
