-Past Events-

Event: European Apartment Crawl

Date: November 15th

Info: We co-hosted an apartment crawl event with European student associations at SSMU. It was themed European Crawl, as our partners are mostly European studies or student groups. It was very successful and many enjoyed it.

Event: Brazilian Literature Conference

Date: November 18th

Info: This event was postponed to next semester due to the guest speakers' absence.

Respectfully Submitted,
