

Events

- The HSA successfully hosted both our Research Brunch with five lecturers & professors from the department (Kleinman, Bruce, Cowan, Vankeerberghen, Basu)! Thanks to all who came out.
- We also co-hosted our 1989 Lecture series, as four professors including Tai, Popova, Studnicki-Gizbert, and Krapfl.
- Upcoming: After a record eight events this semester thus far, the HSA has one more event on the horizon - our HSA Exam Support Club from 7pm to 9pm on December 4. We will have snacks, tea & hot chocolate, as well as other de-stress resources available.

Goals and Current Projects

- The HSA is currently in in the midst of processing sweater and beanie orders. We expect them to arrive before the end of finals, with an option for pickup next semester if necessary.
- HSA is continuing to work on our annual website revitalization project.
- HSA is offering a raffled prize to two students who submit proof of having completed their course evaluations!

Respectfully submitted,

Dalton Liggett
