Events

- The HSA in October hosted our Haunted Histories Lecture series in conjunction with the CSA, and our Haunted Tours event! We raised hundreds of dollars for charity, and the lecture series was a success. Thanks to all who attended.
- HSA Move Night last week was also great fun, with the chosen film being the 2008 Biopic “Milk” featuring Sean Penn and James Franco!
- Upcoming events include the Cundill Forum, a collaborative lecture series with the ESS, and much more! Stay tuned for more information.

Goals and Current Projects

- The HSA will be proposing a new and freshly amended HSA constitution for ratification at legislative council.
- The HSA is currently looking to round out the year by achieving high enrolment at our remaining events.
- The HSA is looking to collaborate with Historical Discourses to be able to provide more information to members soon on its status.
