USAGE OF AUS MEDIA OUTPUT BYLAW

Whereas, AUS Media Team members sign contracts agreeing to coordinate all photography/videography for the AUS subject to the following condition:

“3.2. All photos and/or videos taken by the Media Team member in association with the AUS are property of the AUS. The photographer forfeits all rights to the photos and may not distribute them commercially or personally unless under consent of the Executive committee.”

Whereas, Departmental Associations and other AUS-groups are, currently, not subject to the same conditions.

Whereas, the AUS Media Team provides free media coverage and services for Departmental Associations and other AUS-Groups, so subsequently, photos and videos taken by the AUS Media Team are to be used for AUS use only through their respective departmental or AUS group social media, website, print publication, etc.

Be it resolved, the following changes be made to AUS Media ByLaws:

1. Departmental Associations and other AUS groups don't own rights to photos/videos taken by the AUS Media team.
 - a. They can not distribute them commercially or personally unless under consent of the Executive committee.
 - b. That photos/videos can only be used for AUS purposes through their respective departmental or AUS group social media platforms, website, print publication, etc.
 - i. That the AUS logo be visible when sharing, unless under the consent of the Vice-President Services.
2. Departmental Associations and other AUS groups be subject to the following disciplinary actions
 - a. An initial written warning from the Vice-President Services shall precede all disciplinary actions

- i. The written warning will outline any disciplinary action that will be taken if the problem is not rectified within one (1) week of receiving said written warning.
- b. Barring extreme circumstances, failure to heed a written warning or to adhere to clause 1. will result in groups receiving a written notice banning them from Media services for the rest of the school year (Fall and Winter).
- c. Appeals can be made within one (1) week of receiving a written warning, which can be determined by a vote of the Executive Committee.
