

Report of the Political Science Students Association

GENERAL

- Sweater order forms have been delayed due to an issue with the supplier, we are working on getting the order form out as soon as possible yet have been unable to do so as their graphic designer has been away and unable to provide mock ups. At this time, sweaters will be available for pick up after the winter break with order forms coming out before the break, if there are no more hang ups. We apologize for the delay but hope you are excited to get some poli sci swag soon!
- Our mentorship program planning is kicking off and applications are now live! Check out the facebook event for the applications to be paired with older mentors in the program. The program has the option for first and second year students to be paired with upperclassmen and for those in their third and fourth year to be paired with graduate students studying political science at McGill. If you are interested in applying, specifically if you want to be a mentor, please consider checking out the Facebook for more information. If you have any questions you can email our VP Internal at internal@mcgillpssa.com.
- Our First Year Council has officially had its first meeting and we are excited for a great year ahead.
- Job talks for professors in the Poli Sci department are well underway and our exec has been actively participating.
- Thank you to the ASSA for helping us host a successful panel regarding state collapse!
- Our Wine and Cheese was this Friday, thank you to all those who came for an amazing panel session and a huge thank you to our speakers!

UPCOMING EVENTS

- We are planning one last event for the semester, which will be a chill distress event before exams. The date and theme are TBA so stay tuned to our Facebook for more info.

Respectfully Submitted,

Catherine Steblaj
