

Report of McGill Society of Undergraduate Mathematics Students (SUMS)
24th November 2019

Sales

- Succulent Sale for SUS charity week: Very successful, almost all the succulents were sold

Events

- Wine and cheese: We had an excellent student turnout, and a very good professor turnout with four in attendance. We were also under budget.
- Upcoming book sale: Date TBD
- Upcoming therapy dogs event in the SUMS lounge to promote mental health and wellness and to help students with stress relief: Date TBD

SUMS Council

- New desk and computer in the SUMS lounge as part of ongoing renovations
- Website: The website was recently transferred from the math department server to the computer taskforce server, thus increasing the effectiveness of work put into it by council members.

Respectfully Submitted,

Alyzeh Jiwani
