Report of Philosophy Students' Association, AUS Council 29 January 2020

- Current Projects
 - We, led by Social Events Coordinator Kristen VanderWee, are working on an events calendar for this semester, with things such as Pizza Nights, Trivia Nights, an interdepartmental board game event with the linguistics student association, and more.
 - According to Finance Coordinator Jaya Bonelli, we have a large surplus from last semester. We will try to put it to use by hosting more all-inclusive activities and perhaps providing more things.
 - Academic Affairs Coordinator Owen Gongos fulfilled all tutoring requests, particularly for PHIL210 Deductive Logic, coordinated with the faculty as the undergrad representative, and is in the process of setting up several reading groups for Hegel, Wittgenstein, and Dewey.
 - Social Events Coordinator Kristen VanderWee has created a schedule and booked rooms for our Philosophy Film Nights and started planning an interdepartmental event with the cognitive science student association.
 - Inter-University Affairs Representative Adam Amsel has booked rooms at UQAM for Philopolis and is currently handling class announcements.
 - Communications Coordinator Alice Pessoa de Barros is in the process of monitoring the PSA's social media presence, written listservs, and is in the process of figuring out our merchandising situation with Internal Affairs Coordinator Jeanette Zhong.
- Upcoming Initiatives
 - The PSA will likely be holding a General Assembly during this semester to amend our constitution.

The PSA meets Mondays at 5:30pm in Leacock 931 (the undergraduate students' lounge).

Respectfully submitted,

Matt Gery
PSA External Affairs Coordinator
