

## Report of the German Studies Association (February 12, 2020)

### Present

- Our weekly Stammtisch will continue into the new year. It will still occur at 5:30PM on Thursdays and continue as long as people remain. It will take place at Le Coin Social most days, except when BDP is taking place there (in these situations we will choose a temporary venue)
- Our peer tutor is holding sessions in Sherbrooke 688 Room 389 every Tuesday and Thursday.
- We are continuing to host Bagelstunde from 4pm through 6pm in Sherbrooke 688 every first and third Monday of the month. Students from all faculties/departments are encouraged to come and practice their German.
- Our first Wine and Cheese occurred on the 11th of February.

### Projects

- We are still reaching out for submissions to the German Undergraduate Studies Journal (*Vielfalt*) in preparation for its 2019-2020 release.
- We are exploring the idea of a Trivia Night during the Winter Semester

Respectfully Submitted,

Xavier Palmer  
Vice-President External of the German Studies' Association
