

## Report of the Gender, Sexuality, Feminist, and Social Justice Studies Student Association February 9, 2020

### Internal Affairs

- Have filled our vacant positions! Excited to have new people on board to help us improve the association.
  - o Have a new Communications Coordinator, as well as a new External Coordinator to the AUS
  - o A new Events Coordinator was brought in to assist and support the current one
  - o An Internal Coordinator position was added upon our changes to the constitution, so that new position was filled as well

### Upcoming

- We are planning on inviting Mohamed Abdulkarim Ali, author of *Angry Queer Somali: A Complicated Memoir*, to speak to students about his book in the near future. We've reached out to his team, and have received a positive response, so we are really excited to see where this goes
- Now that an AUS Food Sales Policy has been ratified, we are planning on having our long-awaited Sex Positive Bake Sale very soon.
- Will also be planning a Wine and Cheese for the distant future 😊
