Hiring

- Most positions have been hired
- Will need to do another round of hiring, especially for Webmaster

Handbooks

- Because fall semester is online, we should still design the handbooks but have them ready for winter 2021 in case classes are in person again
- Handbooks may not be dated so they can be used in future years (so there would be all the months and 5 weeks dedicated per month and student can fill in the dates)
- May have more writing space and have them be more of a journal/functional use (so more blank pages) and remove all of the info about McGill, aus, Montreal, etc from the beginning of the handbooks
- This info should be combined into a document and digitally distributed to first year students incoming in fall 2020 (listserv, entering group, frosh, etc)

AUS Website

- Will be updated with new exec info once webmaster is hired

Thank you,
Shuchita Das
VP Communications
