Motion to Approve Fee Increase for Panama Field Studies Semester

Whereas, Québec's Minister of Education (MELS) terminated its transfer of \$16 000 to the PFSS as part of its *Insertion professionnelle* program;

Whereas, over the past 5 years the number of students requiring medication and/or consultations with mental health practitioners has gone from none to 25% to 30% of the class and a significant portion of the fee increase would be utilized to assuring a healthy environment for students' mental health;

Be it resolved, AUS Legislative Council approve the fee increase from \$5670.50/year to \$7800 for Panama Field Studies Semester.
