## **Report of the VP External to AUS Council 01/22/2017**

### Committees Update

#### ACE – Arts Community Engagement

ACE will be having our first wine and cheese on the 24<sup>th</sup> in Arts 160! Everyone please feel free to come by and say hello, and maybe suggest some ideas you have for community engagement! We're beginning planning for embrACE week as well. Please let me know if you have any suggestions about events you'd like to see this year.

#### International Student Affairs Commission

ISAC will be putting their Facebook page up soon now that we have a logo. They'll be advertising for i-week in coordination with International Student Services from January 31<sup>st</sup> – February 4<sup>th</sup>.

#### Mental Health Commission

Mostly the same as my last report; MHAUS has finished filming for our video project, and we will be releasing the videos as soon as we put the footage together. I'll also be hiring a new commissioner within a week.

#### Sponsorship Committee

Contacting companies.

#### Career Coordinator

Becky, my career coordinator, and myself have finished planning for Work Your B.A.! There's a ton of pretty cool events going on, and I'll post the link to the event(s) on the council page for all of you to view.

Respectfully Submitted,
