Report of the VP External to AUS Council 02/08/2017

Committees Update

ACE – Arts Community Engagement

Happy to report our wine and cheese was well attended! ACE is currently planning for embrACE week, happening from March 20th to the 24th this year. Our event is up on Facebook, and either myself or my commissioners will post the link. We'd like to hear events you guys would like to see this year, so please fill out the suggestion form on the event page if you have an idea you believe would work! EmbrACE focuses on community engagement and social justice advocacy, awareness, and initiatives.

International Student Affairs Commission

Last week, ISAC hosted a trivia night at Gerts for I-week, but unfortunately the turn out wasn't incredible. At our meeting this week the commissioners plan on addressing issues with outreach and visibility, and I'll be posting a link to ISAC's Facebook page in the Council group. Additionally, one of the commissioners resigned; if you're interested in applying to be a commissioner for ISAC, please send an email to external.aus@mail.mcgill.ca. By the end of this week, we'll have ISAC's agenda set for the rest of the semester.

Mental Health Commission

Our new commissioner for MHAUS has been hired! We can now move forward with publication of the video once editing is finished.

Sponsorship Committee

We will be meeting later this week to discuss progress and confirmation of contracts.

Career Coordinator

The second meeting for MASEC took place on February 2nd. We discussed the upcoming McGill24, a 24 hour alumni-donation campaign that will be happening in March. We're currently planning student incentives for participation, promotion of the event, and organization on campus. I also spoke with the EUS, who implemented the role of Alumni Relations Coordinator this year – I plan to review that idea with my own career coordinator to see if such a position would be beneficial next year.

Respectfully Submitted,
