## **Report of East Asian Studies Students' Association**

### **Update on Events**

Last week we hosted our first film screening of the year, showing Russian documentary "Under the Sun". We had a nice turnout and had the honour of hosting Professor Michelle Cho to lead a discussion with our students after we watched the movie. The event went really smoothly and everyone enjoyed professor Cho's insights into the film industry in North Korea. This upcoming Tuesday, October 7<sup>th</sup> we will be hosting our second language exchange of the semester. We are currently recruiting more native speakers of Mandarin, Korean and Japanese in order to help lead the language groups. In addition to these two events, we have begun to advertise and sell for our first apartment crawl taking place at the end of the month. We have cleared everything with the AUS and have booked the Arts lounge as a starting point, as well as having 4 apartments for the crawl night. Tickets are currently being sold by all members of EASSA and more info on the event will follow.

Respectfully Submitted,

Christopher MacDonald, VP External
