

## **Report of McGill Industrial Relations Association**

### **Announcements:**

- MIRA has appointed a First Year Rep, Elizabeth Levin. She was appointed rather than elected because it occurred after the by-election period and due to the small size of our department.
- We have been informed by the head of our department, Prof. Fabian Lange, that the name of our program will be changed from “Industrial Relations” to “Industrial and Labour Relations” – a few changes will be made to the required curriculum as well. Any questions on this matter may be directed to Prof. Fabian Lange.

### **MIRA’s Goals This Year**

- Increase social engagement of IR students with social events.
- Ensure the provision of academic resources to support the success of Industrial Relations students in program courses.
- Plan a successful ILO Conference in the tradition of previous MIRA Executive Councils.
