## **Report of East Asian Studies Students' Association**

### **Update on Events**

This upcoming Friday we will be hosting our EASSA Apartment Crawl! Ticket sales have gone very well, with only a few tickets remaining. Our exec is currently finalizing plans to purchase drinks and food, as well as routes for our crawl groups and safety precautions. On the same day we will be hosting professor Yan Li for a talk on Chinese-Canadian relations and Dr. Norman Bethune, a pioneer in Sino-Canadian relations. The event will be hosted jointly with the department of East Asian Studies and Professor Bill Wang. We are also looking into booking Thompson House next February for the Lunar New Year, in conjunction with the EAST department and the EAST grad students. More details on this to come.

Respectfully Submitted,

Christopher MacDonald, VP External
