

### **Motion to Amend All AUS By-Laws**

**Whereas**, the AUS' by-laws should use the most inclusive possible language when referring to individuals, using the terminology they as opposed to he/she;

**Whereas**, this use of he/she is prevalent in the Electoral By-Laws, several departmental constitutions, and likely other by-laws and documents;

**Be it resolved**, that AUS Legislative Council replace any instances of he/she in any and all by-laws, documents, or departmental constitutions that it has the power to amend, with **they**.
