Report of Arts Representatives to SSMU

SSMU

- Jennifer:
 - Attended clubs committee last Wednesday, was super quick and gave club status to one club
 - Missed the Our Turn meeting as it conflicted with the AUS Equity committee meeting
- Kevin:
 - SSMU Mental Health Advocacy meeting, working on next steps having single resource, identifying key issues in residences → projects moving forward.
 - BoD meeting cancelled, will have training from Miller Thomson sometime next week
 - AUIF screening meeting, approved four applications for the meeting, sent back some with more questions on quotes and prices.
 - Working on reconciling in quickbooks, the books are not in fact quick, they are very slow and painful. Much appreciation for the assistants.
 - AUS awards, finalizing catering with McCord, working out numbers but event looks pretty solid moving forward.
 - Will be absent for this council because I am in Toronto for a job interview, will likely also not be present for SSMU tomorrow.
- Corinne:
 - Services Review committee
 - creating form for current services to fill out their experience, rather than us reviewing them in order to take a more bottom-up approach, and to save time.
 - Updating Services Application and services no longer have to be a club before becoming a service! Yay! Accessibility!
 - Provincial Representation Ad-Hoc Committee
 - Had presentation from both UEQ and AVEQ
- At the last SSMU meeting the following motions were approved
 - [Motion on Consultation on Systemic Racism in Montreal APPROVED 2018-02-08](#)
 - [Motion Regarding the ECOLE Project Fee Levy Renewal APPROVED 2018-02-08](#)

- [Motion to De-gender the Language of the SSMU APPROVED 2018-02-08](#)
