

## **Report of the Vice-President Communications, AUS Council, February 7<sup>th</sup>, 2018**

### **I. Francophone Commission**

The commissioners put on a timbit for conversation event while tabling in Leacock. They managed to get quite a few people to stop and talk in French as well as like our facebook page. I want to thank them for all their hard work and dedication. Otherwise, conversation circles are going well.

We are collaborating with the VP academic for a French prof talk for later in February. The commissioners put their suggestions in after we had a meeting discussing the theme.

### **II. Fine Arts Council**

Nuit Blanche was a huge success. We had some audio problems but otherwise, the event went smoothly. The commissioners and I will work on the exit report of the event. Thank you to all the arts groups who participated.

Fine Arts Council is predominantly going to focus on winter funding applications which will be released soon and the winter workshops from the reps.

### **III. Marketing Committee**

We had a meeting last Thursday and just focused on the things we are trying to advertise like elections, and the FEARC trip. We also brainstormed some ideas around about promoting AUS like posters. We are going to tabling for AUS in February to help promote our services.

### **IV. Speaker Series**

Status quo – waiting to hear back from those reached out to.

### **V. Miscellaneous**

- Looking to hire another francophone commissioner as one resigned
- Looking for another graphic designer due to high demand
- Started filming the first McGill talks which may come in late this week, early next week

Respectfully submitted,

Vice-President Communications Maria Thomas
