## **Report of East Asian Studies Students' Association**

### **Update on Events**

We have been continuing our weekly office hours for peer tutoring in Mandarin and Korean languages, with slightly increased student turnout due to exams approaching near. Our last big event of the year will be our apartment crawl co-hosted with the Environmental Students' Association this upcoming Thursday, March 29<sup>th</sup>. The crawl will feature 6 stops followed by an after party with all groups invited. Tickets are only 5\$ and can be purchased through contacting the organizers through the Facebook event page. Finally, we are finalizing the candidate nomination process for our departmental elections for the 2018-2019 school year, and will be holding our elections within the coming week.

Respectfully Submitted,

Christopher MacDonald, VP External
