

## Report of McGill Environment Students' Society

Sunday, September 30th, 2018

### Event Reports

- MESS Welcome Back Barbecue:
  - Thursday, September 20th in the Otto Mass Courtyard
  - MESS hosted a "welcome back" barbecue for Environment Students so they could meet the exec team, get a chance to hang out with fellow students, and discuss potential events.
  - The event went very well! We had a great turnout and good food.
- Environmental Funds for a Sustainable Future (EFSF):
  - Head of Environment wants MESS to run a crowdfunding event through Seeds of Change.
  - MESS would raise money from students/alumni to start this fund in the hopes that McGill can make this fund a legit thing in the future.
  - 4 Enviro students working on projects (outside of McGill) that don't get funding can apply for funds that we would give them using money we raised.
- Bi-Monthly Samosa Sales:
  - Run every other Tuesday in Burnside Basement.
  - Profits go towards our EFSF fundraising efforts.

### Upcoming Events

- Prof Talks:
  - Monday, October 22nd
  - We are reaching out to 2 ENVR professors to come host an event for ENVR students. Ideally the professors could give us a presentation on their field of research or classes they teach, and allow students to ask them questions.
- MESS Wine and Cheese:
  - Thursday, November 8th
  - We are hoping to host our Wine and Cheese event on this date, permitting the room bookings and alcohol permits will allow for this date.

### General Updates

- New logo:
  - Met with the SUS graphic designer to discuss making a new logo for MESS.
- Clothing orders:
  - Trying to organize clothing orders through MacDonald Campus.
- Social media:
  - Hopefully going to start a "Humans of ENVR" Instagram/Facebook series

Respectfully submitted,

Cristina Venegas  
MESS VP External AUS
