

Report of the German Students Association (Oct 3th)

Present

- We have started holding our Stammtisch (conversation hours), and got a pretty solid attendance (a dozen nice people)!
- Activities Fair gave us a good occasion to attract new people, including some interested in joining our exec team.

Projects

- I have showed up to Concordia's Stammtisch, we will hopefully make an event together. ☺
- More concrete projects have to be set in stone in the subsequent meetings.

Others

- Nope.

Respectfully Submitted,

MARTIN CROQUEZ
