

## **Report of The Religious Studies Undergraduate Society (RSUS)**

### **Religious Freedom Event**

- Former ambassador Dr. Andrew Bennett delivered a talk in the Birks senior room on the history of religious freedoms in Canada and around the world
- He spoke of his time as ambassador and the work he did.
- Modest turnout (about 20 people)

### **Spin Bikes**

- The School of Religious Studies has informed us that they will not be installing spin bikes in the Birks common room
  - They would be too noisy
  - There is no space for them

### **Canons Undergraduate Journal of Religious Studies**

- Will be accepting submissions in January.

Respectfully Submitted,

Josh Werber,  
VP External, RSUS
