## **Report of McGill Environment Students' Society**

Sunday, January 13th, 2019

### **Event Reports**

- **Holiday Event:**
  - This was such a fun and memorable event! We had a huge turnout, people were in amazing spirits the entire time, and some truly beautiful gingerbread houses were built.
  - Although only one team officially won, everyone's creations were stellar.

### **Upcoming Events**

- **Nachos and Wine Night:**
  - In collaboration with a Mac Campus group, MESS is hosting a wine and nachos night at Mac Campus ideally in late January.

### **General Updates**

- **Clothing orders:**
  - Clothes should be arriving soon for students to come pick up.

Respectfully submitted,
