

Report of AUS Environment Council

Monday, Sept 16, 2019

Event Reports

- None to report

Upcoming Events

- None to report

General Updates

- 1st Meeting:
 - Our first meeting was really productive ☺
 - We talked about AUsec's past events and read some exit reports to familiarize ourselves with the council.
 - We brainstormed what we want the year to look like and set some goals for ourselves as a council.
- Departmental Green Guide:
 - Using a template from past years AUsec wants to put together a comprehensive "Green Guide" that faculties and councils can use as a reference for sustainable event planning.
 - Ideally this information can be presented at Department Orientation.

Respectfully submitted,

Cristina Venegas
AUsec Internal Commissioner
