

Report of the German Studies Association (November 13, 2019)

Present

- Our weekly Stammtisch continues this year at 5:30PM on Thursdays and continuing as long as people remain. It will take place at Le Coin Social most days, except when BDP is taking place there (in these situations we will choose a temporary venue)
- Our peer tutor is holding sessions in Sherbrooke 688 Room 389 every Tuesday and Thursday.
- We are hosting Bagelstunde from 4pm through 6pm in Sherbrooke 688 every first and third Monday of the month. Students from all faculties/departments are encouraged to come and practice their German.
- We are hosting our first Wine & Cheese on November 20th from 6-8PM in Arts 160 where two professors will speak about German topics.

Projects

- We are still reaching out for submissions to the German Undergraduate Studies Journal (*Vielfalt*) in preparation for its 2019 release.
- We are exploring the idea of a Trivia Night during the Winter Semester

Respectfully Submitted,

Xavier Palmer
Vice-President External of the German Studies' Association
