

Report of the Political Science Students Association

GENERAL

- Thank you to all who came to our Research Brunch on November 5th! We hope that you enjoyed the coffee and the panel.
- Thank you for all that came to our internship workshop with AIO this week!
- Sweater order forms have been delayed due to an issue with the supplier, we are working on getting the order form out as soon as possible yet have been unable to do so as their graphic designer has been away and unable to provide mock ups. At this time, sweaters will be available for pick up after the winter break with order forms coming out before the break, if there are no more hang ups. We apologize for the delay but hope you are excited to get some poli sci swag soon!
- Our mentorship program planning is kicking off and applications are now live! Check out the facebook event for the applications to be paired with older mentors in the program. The program has the option for first and second year students to be paired with upperclassmen and for those in their third and fourth year to be paired with graduate students studying political science at McGill. More information can be found on the Facebook page and if you have any questions you can email our VP Internal at internal@mcgillpssa.com.
- Our First Year Council has officially had its first meeting and we are excited for a great year ahead.
- Job talks for professors in the Poli Sci department are well underway and our exec has been actively participating.

UPCOMING EVENTS

- We have a collaborative event with the ASSA happening this week on November 14th from 11:30 - 2pm. Come out and listen to Professor Reno discuss the theory of state collapse with special focus on African politics this Thursday!
- We have an upcoming wine and cheese with McGill Women in Leadership on the 22nd of November at 6pm in Arts 160. We will be having a panel discussing women in politics with a reception with wine and cheese following. Feel free to check out the Facebook event for more info!

Respectfully Submitted,

Catherine Steblaj
