

## Report of the VP Internal to AUS Legislative Council

January 14<sup>th</sup>, 2019

### Event Planning

- Planning for AUS Awards – determining timeline for award nominations and securing venue
- Thinking about organizing an AUS x SUS Departmental Fair – is this useful for students, especially UOs?

### Room Bookings & Liquor Permits

- Reminder to all departments to pick up cleaning supplies, permit and rules from the AUS office on the day of/day before your Wine and Cheese!
- All pre-booked Wine and Cheese dates are taken.
- Please give me one week for booking requests!
- Currently renewing insurance for 2020 and working to get permits for the pre-booked permits

### Departmental Offices

- Three departments displaced by construction at 3434 McTavish – big priority this semester will be looking for rooms for them
- Meeting with Lillian Lazarek again, Ferrier building director, to ask for small second floor room

### Miscellaneous

- Hiring another AU Sec Commissioner for the semester since Lily is on exchange
- Attending Excomm on Monday – will have office hours determined then

Respectfully submitted,
