General Updates

- We had our wine and cheese this past Monday, March 9th.
 - It went really well, more people showed up than we had expected.
 - Though we would've liked to have more faculty member and professor attendance.
- Most of our merch has been delivered, we are currently figure out dates for pickup.
- The EASSA President, Mariel, and I met with IDSSA on Feb.28 discuss event details and some concerns/questions we have about our event collaboration.
- The panel discussion event will be held this Friday, March 13th in Wilson 103 from 2:00-3:30PM.
 - The topic is "Social Inequality In East Asia".
 - We have confirmed the attendance from professors from our department to participate in the panel, and the IDSSA is inviting a speaker from the Asian Development Bank.
- Our next meeting is planned for March 13th.
